

CALL FOR PAPERS

IMEKO TC1-TC7-TC13 Joint Symposium 2014
Madeira, Portugal, 3–5 September 2014

By this Call for Papers we are pleased to invite you to the IMEKO TC1-TC7-TC13 Joint Symposium that will be held in Funchal, Madeira, Portugal, on 3-5 September 2014. It is an event of three Technical Committees of International Measurement Confederation IMEKO (www.imeko.org), viz.: TC1 –Education and Training in Measurement and Instrumentation, TC7 – Measurement Science, and TC13 – Measurement in Medicine and Biology. It is organized by Portuguese Network of Accredited Laboratories Association (RELACRE), with the support of the Madeira Autonomous Regional Authorities, the Portuguese Society of Metrology (SPMet) and Portuguese Institute for Quality (IPQ) being the Portuguese NMI.

The Symposium will be focused on the theme "Measurement Science Behind Safety and Security", and provide a forum for the exchange on the latest research findings and innovations related to this theme. Thus, the original research-and-development contributions, related to this theme and fitting to the following areas, will be welcomed:

- | | |
|---|-------------------------------------|
| A1 – Fundamentals of Measurement Science | A5 – Measurement in Social Sciences |
| A2 – Vocabulary of Measurement Science | A6 – Measurement in Life Sciences |
| A3 – Measurement Uncertainty | A7 – Measurement in Everyday Life |
| A4 – Measurement in Physics and Engineering | A8 – Measurement Education |

Important deadlines:

- | | |
|--|------------------|
| • Submission of abstracts: | 15 January 2014 |
| • Notification of abstract acceptance: | 15 February 2014 |
| • Submission of full-text manuscripts: | 15 April 2014 |
| • Notification of full-text acceptance: | 31 May 2014 |
| • Submission of revised full-text manuscripts: | 30 June 2014 |
| • End of early-bird registration: | 1 July 2014 |

The abstract template and complete information about the electronic abstract submission process can be found at www.imekotc7-2014.pt. Submitted manuscripts will be peer reviewed according to the rules of the Institute of Physics (IOP), to be published at conferenceseries.iop.org.

The International Program Committee and the National Organizing Committee will do their best to offer you a Symposium at least as successful as previous ones, namely in Genoa; Italy 2013, Jena, Germany 2011 and London, UK 2010. Special attention will be given to the peer review process in order to maintain and possibly increase the quality of the accepted contributions and the scientific level of the Symposium. Accepted papers will be published by the IOP Conference Series. We hope that such goals will contribute to the continued effort towards excellence in TC1-TC7-TC13 IMEKO events.

The Symposium website is available at www.imekotc7-2014.pt and there you will find useful details concerning the important dates for the conference along with information about the registration, accommodation and travel arrangements. The website is the principal communication channel for the conference, so be sure to visit it often.

We are looking forward to meeting you in Funchal, Madeira at the TC1-TC7-TC13 Joint Symposium 2014!

João A. Sousa
Chairman of National Organizing Committee
